There is one of the latest apartment-
hotels, with a Methodist Church on the
ground. I have marked it. It is a
beautiful building in the Civic Center, I
have not attended the Church service there last
Sunday. I went to the first Presbyterian Church
this morning and in the afternoon one found
me with their car and took me for a
drive through Golden Gate Park. On Saturday
the 14th Sept. we are going for a week and more to the
water. Ray to Santa Cruz, Monterey, Hotel Monte and
San Miguel. Oh-o-o-o, that should be along to get some
of the going and doing and around the hills and
coast. I hope to weather home for the summer.
But I see you all. Good night. I will go.
